

THURSDAY APRIL 17<sup>TH</sup> – MONDAY APRIL 21<sup>ST</sup> 2025

Studebaker car club of Newcastle invites you all to attend the 25<sup>th</sup> national meet at Tamworth.

Tamworth is the second-largest inland city in NSW. It is situated on the New England Highway, 318km from the QLD border and 420 km from Sydney.

It is known as the 'first town of lights' as it was the first place in Australia to have electric street lights. Tamworth is also recognised as the national equine capital of Australia, but it is mostly famous for being the 'country music capital of Australia' for it is home to the world's 2<sup>nd</sup> largest country music festival, after Nashville.
